

CRUISE THE BLUES

BLUE HILLS BIKE FESTIVAL

LONE HILL SUPER D RACE COURSE

Lone Hill Super D Race

The 1.1-mile Super Downhill course showcases "the best" downhill trail in the Blue Hills of North Central Kansas which features flowy berm turns, big jumps and progressive drops! The wide open trail is great for spectator viewing and all of the features are "rollable", safe and fun for beginner level riders, but also designed for more advanced riders to be able to boost! The extended downhill course has 200' of vertical with short pedalling sections and is super groomed and fun to ride on All-Mountain, XC and even Hardtail mountain bikes.
